CARA Update

The Wells Fargo Bank Building will be demolished starting mid-February and is estimated to be finished by the end of April. The demolition experts, Laneco Inc., have until June 30 to finish if they run into any delays.

The timing was set to avoid summer events and the heavy visitor season.

Once removed the lot will be graveled and await a new opportunity. An RFP for the future development of the lot is currently being prepared and will be discussed at the February ARA meeting on Wednesday, February 15.

Due to the demolition of the Wells Fargo Bank Building at the corner of 1st & Broadalbin, parking will be unavailable in most of the Bank Lot and on the street adjacent to the building starting later this month. Also, the east section of the alley will be closed for safety.

Asbestos abatement is already underway. Demolition is set to begin on Monday, February 20, and should take about five weeks. Park-Wise leased space and permit holders will be provided alternate parking options. Those businesses that receive deliveries from trucks in the alley should contact their vendors to discuss options.

Each month ParkWise awards a month of free parking to a leased space or employee permit holder.

Albany Visitors Photo Contest Deadline is Feb. 10

It's time for the Albany Visitors Association's annual photography contest. The purpose of this contest is to find images suitable for use in the marketing program for Albany, Linn County and the Willamette Valley.

"It's a terrific opportunity to share your work with millions of visitors across the US and the rest of the world, says Rebecca Bond, AVA's Executive Director.

AVA asks that your work specifically feature life in Albany and surrounding Linn County as those are what are most commonly used in their publications, adver-

tisements and social media. Think of images that visitors might like to see — people enjoying themselves outdoors, fantastic food and drink events, hiking, biking, paddling and the beauty and majesty of Albany's historic architecture.

"We can never get enough action shots of people out and about," added Bond. "So think about staging something with friends; just make sure you get permission and a signed release form for any recognizable people in your work." Forms are available at the AVA office.

The contest categories are scenic, landmarks, events, people, historic Albany and culinary plus a student category for young photographers ages 18 and under.

The cost to enter is \$2 per photograph with free entries for youth.
