## Volunteer Spotlight: Bob Moore

Bob Moore is an amazing asset to the ADA. His official capacity is that of treasurer and board member, but Bob's contribution spans from his tireless dedication to the fiscal well-being of our organization to a champion of multiple events across committees. He volunteers at Downtown clean ups, fundraisers and staging events.

Bob was key in establishing ADA's very successful Building & Business Owner Mixers. During his term as Economic Vitality chair, he set the tone for successful interactions that carry on today. He continues to serve on the EV committee, is involved with the mixers and brings forth ideas for business success.

His love of Downtown Albany beyond ADA also brings a positive spotlight on our organization. You'll find him spending a summer evening enjoying the company of friends at local restaurants, shopping and attending business events.

Thank you, Bob, for all you do!

Each month ParkWise awards a month of free parking to a leased space or employee permit holder.

## Everclear to Play at Albany Block Party Sept 2

Everclear is coming to Downtown Albany. Yes, you heard it right! Albany Block Party is bringing this top 90's alternative rock band to town for their 2nd annual event.

"We are thrilled to bring an all ages, free community event to the heart of Historic Downtown Albany on September 2nd, said Michelle Roth, Greyhound Tavern co-owner. "Performing live, Everclear!"

Following on their success with country

talent Nate Smith, this year there will be a large outside beer garden, kids area and more food trucks than last year.

Sponsors include McClinton Auto Collision, McHenry's Interiors, The Natty Dresser, The Corvallis Contractor, Columbia and Xtreme Grafx.

For more information, follow the Albany Block Party Facebook page and website, [www.albanydowntownblockparty.com](http://www.albanydowntownblockparty.com).

Early in the year, our beautiful flowers are planted by Bauman Farm & Garden in their hothouses in Gervis. The starts are grown in our EarthPlanters self-watering planters. These planters generally allow us to water the baskets every other day. Before upgrading to EarthPlanters, our watering staff had to double water on hot days working in high heat. Now daily watering is sufficient even on the hottest days.

Volunteers hang the baskets in May, and the watering attendants water and feed them through the summer. Volunteers return in the fall to retire the flowers, and ADA's planters are picked up by Bauman's, ready for planting the next year.

We invite you to join our amazing group of sponsors in supporting our 2024 season.
