2024 Standout Volunteer

Beth Walker

The Albany Downtown Association depends on our volunteers, in 2023-24 we had dozens of public events and countless internal activities made possible by our volunteers. From the ongoing guidance of our Board of Directors and dedication of our committees to the dozens of volunteers who give hours for the parade, member events, hanging baskets, tree lights and more, we accomplished our goals and gained positive feedback from our communities and peers. With so many volunteers, it was hard to pick just one to honor.

Beth Walker went above and beyond in 2023-2024! She volunteered at events throughout the year, recruited volunteers, participated in the Adopt-a-Block program and served on not one but two committees, co-chairing one of them. She supported other business owners, spreading the word on events, securing sponsors, championing and also creating Downtown events!

improvements to a non-historic structure. These renovations don't just beautify – they breathe new life into our downtown and strengthen its economic vitality.

Congratulations to building owners Kody & Michelle Roth and Tyler Porter! They took a derelict building and completely reimagined it, using its original purpose as the inspiration for the new design.

The formerly blighted area is now welcoming. In addition to the Greyhound Tavern venue, they added a sweet tenant, Sugar J's Ice Cream Workshop.

The building improvements were a \$400,000 investment in our Downtown district, funded in part by a 2023 Oregon Main Street Revitalization Grant. The building has added 29 Downtown jobs plus opportunities for musicians, dance instructors and food suppliers.

Historic Preservation Award The Opera House

This award recognizes the unique challenges faced by projects involving designated historic properties. These renovations must follow strict guidelines set by the City's Landmarks Commission, State Historic Preservation Office and national standards. The process is often lengthy, costly and filled with obstacles. However, Downtown Albany's strong sense of community and commitment to preserving its history continues to drive these efforts forward.

Congratulations to Scott Lepman and his amazing team at Glorietta Bay LLC. This beautifully restored building, originally built in 1905 as Albany's first Opera House, now retains its historic charm on the exterior while featuring modern, well-equipped apartments inside.

This project supported dozens of local construction jobs and is helping to bring more people to our area, revitalizing Downtown in the process. The building adds two short-term rental units and 16 apartments with over 20+ occupants who eat, shop and play Downtown!

Additional Nominees:

- 1st Hand Seconds Unique Boutique
- Monteith Square
- Woods Apartments

Leadership on Main

Taylor Roosa

Oregon Main Street says Leadership is at the heart of community building. This award recognizes an individual who has shown extraordinary dedication to their local Downtown over a significant period of time. Nominees for Leadership on Main may be committee volunteers, board members or other community leaders involved in the Main Street program.

A lot was accomplished over the past year. Taylor has consistently shown remarkable leadership and enduring commitment and expertise, contributing significantly to the well-being and growth of the Downtown Albany community. She is a member of the Albany Downtown Association Board of Directors and was an active part of this year's strategic planning process.

When the position became open, Taylor stepped up to co-chair the Economic Vitality Committee and led the group to accomplish all their 2023-24 strategic plan goals as well as host the most successful education and mixer events to date. She also chaired the committee for the awards selection process and the wonderful recognition event.

Building Renovation of the Year

New Business of the Year Camille's Bistro

This award celebrates the vibrant spirit of entrepreneurship that characterizes Downtown Albany. The "New Business of the Year" award is given to a business that has made significant strides in our community and opened its doors in the two-year period between July 1, 2022 and June 30, 2024.

Congratulations to Camille Romania and team! They enriched our downtown community by opening their doors and sharing their heart with all who enter by delivering exceptional service and delicious cuisine. Starting out as breakfast and lunch with French flair, Camille's now offers dinner Friday-Sunday. They also hold private events and cater. In short, Camille's has become a new staple in the food scene Downtown!
